OUR STORY

In the heart of Davenport, FL, is our little mom-and-pop shop, Honey's BBQ. At the beginning of 2025, we purchased Honey's BBQ and overhauled everything from the menu to the recipes to the dining room decor. Quality homemade food is at the heart of everything we do, and we love hearing how much our customers enjoy trying our delicious family recipes!

Food brings people together through every stage of life, and we hope we can be a small part of those memories for you and your family. So whether it's dinner after a busy day of work and school or a date

night or an event you'd like catered, our family will be there for yours for every special (or not-so-special) occasion.

Thank you for supporting our independent, family-owned restaurant. It means so much to us, and we look forward to serving delicious barbecue to our community for many years to come!

Robert, Alyssa, and Max

Providence Cattle Company

Our delicious brisket comes from Providence Cattle Company, a family-owned farm in Tampa, FL. Their Angus cows are born, raised, and processed in Florida, and are grass-fed and grass-finished with no antibiotics or growth hormones ever.
